PROFILE SUMMARY

I am a passionate Graphic Designer, Social Media Manager, and Computer Science Engineering Student. I have over 3 years of expertise working closely with clients to solve problems and achieve accelerating results. As a tech-savvy creative, I combine strong technical foundations in coding with an expert eye for design and multimedia production. I strongly believe that passion brings possibilities to life, and I am a visual thinker dedicated to delivering innovative projects that look just as good as they perform.

ACHIEVEMENTS & LEADERSHIP

SSB Recommended

NDA-154 (2025)

Recommended from 1 AFSB, Dehradun for the National Defence Academy. Evaluated and recommended on officer-like qualities, leadership, and teamwork.

FEATURED PROJECTS

BGMI LAN Event
